# Regarding the House in Shīrāz

***In the Name of God the Impregnable, the Avenger!***

God, no other god is there besides It the Impregnable, the Avenger! Inasmuch as the **House of Shīrāz** and the future site of the **NUR/Bayānī Sacred Mosque** (*masjid al-ḥarām*) and **Shrine of Unity** (*buqāʾ-i-wāḥid*) in **Shīrāz** is by no sacred or temporal right your possession, O people of Hot Air, but rather that of the **Believers in the Bayān**; given that the present site of the **House of Shīrāz** is at this time in the hands of local representatives of the soon to be overthrown Islamic Republic of Iranicide, currently known as the *bayt'ul-mahdī* (House of the Mahdī); this is notice to you, O people of Hot Air and to your leaders, that we, the **People of the Light and the Bayān**, will under no circumstance allow our sacred site to once again fall into your sullied hands and to be monopolized by you as it once was under the Pahlavi regime which acted as your political and financial benefactors cushioning and protecting you against the rights of everyone else (as the Zionist entity has been acting towards you as well since 1948 CE and the British did before that).

While during these past 43 (nearly 44) years you have opportunistically capitalized on what you have deceptively characterized to the world as being the exclusive plight of your community – when the reality of the matter under the Islamic Republic of Iranicide has always been the plight of the Iranian nation as a whole, and not yours exclusively – know that the moment when the Islamic Republic of Iranicide is permanently relegated to the dustbin of history that all ill-gotten privileges you have enjoyed thus far over the exagerration (and in many cases even outright fabrication) of the situation of your community in Iran under the mullahs will immediately cease. From that point forward all of your lies, deceptions, exagerrations and, above all, your unmitigated political gluttony, material lust for power and corruption – together with the fact that you have actually been secretly allied and benefited from the Islamic Republic of Iranicide - will be exposed one by one and laid bare before the entire world, O ye manifestations of the Tree of Negation and hellfire!

Do you think that your century plus long persecution of the **People of the Bayān** and the callous trampling of their rights at every turn by you holds no consequences in this world and the next? Do you think that your perversion of the facts of history will not eventually rebound on yourselves? Do you think that the lies you have perpetrated against the Bayān will not bear fruit and become weaponized by the instrument of the Divine Hand of providence Itself and recoil upon yourselves collectively with interest? Think again!

The arrogance of your material wealth with its fleeting wordly prosperity and the mirage of your power with the conceit of your numbers and delusional triumphalism thoroughly blinds you to the Truth that with the True Living God of the universe these are but vaporous smoke, and with even far, far less significance than that. The Quraysh, the people of ʿĀd and Thamūd, Sodom and Gomorrah, and many others before and after them were more haughty and arrogant than you are. Where are they now?

Do you think that the vacuous luster around your latter-day 'hanging gardens of Babylon' on Mount Carmel makes you immovable and untouchable? Think again, since, whatever you believe, you are located at precisely the place where the Prophet Elijah (ع) once single-handedly defeated the high priests of Ba'al with the fire of heaven that consumed them all into their well-deserved oblivion. By God, your fate will be no different, for allow Us to remind you Who it truly was who sent to you as a warning from heaven that blazing fire that consumed the shrine of ʿAbbās Effendi in April 2022 CE: an event explicitly foreshadowed nine months before its occurrence in the **Book of Guidance**. Moreover, that the Hand of Providence can initiate and instigate a Revolution to overthrow those turbaned devils in Iran precisely 19 days after We completed the **19th Unity of the Bayān** means the same can be done to you – and will!

Given this, do not believe for a split second that the angels of the heavens and the earth and what is between them are idle and will allow you to appriopriate the mosque and property wherein the Primal Point's **House in Shīrāz** is at present located. Once the people of Iran are victorious over the turbaned forces of darkness and negation, we, the People of the Light and the Bayān, will acquire that mosque and its property by any means necessary thwarting you at every step, and we, the People of the Light and the Bayān, will build the **Sacred Mosque** (*masjid al-ḥarām*) and the **Shrine of Unity** (*buqāʾ-i-wāḥid*) in **Shīrāz** per the explicit specifications of the Bayān itself. When we do, all creeds, all beliefs, all persuasions – be they Muslim, Christian, Jew, Zoroastrian, Hindu, Taoist, pagan or whatever - are one and all welcome to visit and make pilgrimage to the **Sacred Mosque** (*masjid al-ḥarām*) and the **Shrine of Unity** (*buqāʾ-i-wāḥid*) in **Shīrāz** except you, O people of Hot Air! By reason of your innumerable crimes and the weight of your countless sins against human and divine alike, unless you unequivocally renounce your adherence to the antichrist and false idol, the **Ṭāghūt**, and without equivocation denounce him and his false creed for posterity; God has decreed in this Day that you people of Hot Air will have no right and no share whatsoever in visitation or pilgrimage to the **Sacred Mosque** (*masjid al-ḥarām*) and the **Shrine of Unity** (*buqāʾ-i-wāḥid*) in **Shīrāz** in a free Iran! Furthermore, per the decree of the **Book**, all – whoever

they may be - may seek refuge at any time within the precincts of that **Sacred Mosque** (*masjid al-ḥarām*) and **Shrine of Unity** (*buqāʾ-i-wāḥid*) other than you, O people of Hot Air!

Should you contest the matter, we will physically make combat against you by any and all means necessary just as the early Muslims did against the pagan idol worshipers of Mecca and the Quraysh when they fought those infidel idol worshipers to wrest control of Mecca and the Kaʾba from out of their sullied hands. As such should you make it such, we will not hesitate to fight with you to the death and to the bitter end in order to prevent you and to permanently expel your pestillent existence with its corrupt, demonic power from any attempted acquisition on your part of the property of the **House of Shīrāz** similar to the early Muslims when they vanquished Mecca and expelled all of the false idols from the Kaʾba one by one; for by God, as the Bayān has explicitly stated, that **House** is verily My House and the place of My birth in My former Manifestation! Therefore, O people of Hot Air, O you colonizing thieves, you covenant breakers and violators of the divine pact of the Primal Point, O you **fruits of the infernal Tree of Perdition**, know that you will have absolutely no share and no right to the future **Sacred Mosque** (*masjid al-ḥarām*) and the **Shrine of Unity** (*buqāʾ-i-wāḥid*)! Mobilize all of your governments, lobbyists and organizations over whose eyes you have pulled wool over. We shall mobilize against you and them both the seen and the unseen legions of the heavens and the earth and what is between them, and with it crush your arrogance, conceit and criminal sense of entitlement once and for all by the Power of God within Iran itself!

This is the irrevocable Divine Decree and We are its guarantor, so you are on notice!

*God verily testifies that there is no other god but It the Impregnable, the Vanquisher!*
